Additional Information About This Loan

Loan Disclosures

Assumption

If you sell or transfer this property to another person, your lender will allow, under certain conditions, this person to assume this loan on the original terms.

X will not allow assumption of this loan on the original terms.

Demand Feature

Your loan

☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

X does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- ☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- **X** do not have a negative amortization feature.

Partial Payments

Your lender

- may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- $\ \square$ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- \square does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in 456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: Homeowner's Insurance Property Taxes
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: Homeowner's Association Dues You may have other property costs.
Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

□ will not have an escrow account because □ you declined it □ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow	
Estimated Property Costs over Year 1	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee	

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

Three-Day Closing Disclosure Rule

- o If a federal holiday falls in the 3-day period, add a day for disclosure delivery.
- The 3-day rule is measured by days, not hours. Thus disclosures must be delivered 3 days before closing, not 72 hrs prior to closing.
- o Disclosures may also be delivered electronically on the disclosure due date in compliance with E-Sign requirements.

HELPFUL HINTS TO AVOID POTENTIAL OBSTACLES IN FINANCING

WRITING THE OFFER -

- DO NOT include Personal Property in the offer to purchase:
 - If there is any transfer of any personal property, it should be agreed upon separately; DO NOT include in the purchase contract
 - o Left as convenience to seller may not be sufficient best to just leave it out and agree upon separately
 - o Items typical in our marketplace are okay (window coverings, stove, refrigerator, washer or dryer)

Closing Cost Credit

- o The contract should state credit is towards buyers closing costs, points and/or prepaid expenses
- o Keep the amount of the credit reasonable. The credit cannot exceed the actual costs!
- Contact the buyers lender before you write the offer if the amount of the credit will exceed 3% of the sales price
- Seller allowances/credits (for items other than closing costs) beware!
 - o Can affect the mortgage transaction in many circumstances
 - Not always beneficial to the borrower
- Repairs Items listed for repair in the offer or on an addendum must be complete and inspected in advance of closing
 - o Inspection for completion will be required along with paid receipts
 - o Don't delay! Determine lenders required timeline for completion and ensure seller's compliance with timeline
- Lender needs copy of the fully executed, entire accepted offer, including all counters, amendments, exhibits, property condition report and earnest money receipt.
 - o If there are any changes or amendments, lender needs a copy!
- Make sure your buyer contacts a lender right away! Inform them about timelines. Follow up with them after a day or two just to be sure. (Delay could cause difficulty meeting contingency timelines).
- **Keep us in the loop.** Last-minute surprises can cause unnecessary delays let us know if <u>anything</u> changes (especially any addendums to the offer).
- Make sure your timelines are realistic. New Federal Regulations mean NO MORE LAST MINUTE
 CLOSINGS. There must be documented PROOF the borrower has received the closing statement at least 3 business
 days prior to closing. Without that proof, there must be documentation showing it was sent out 6 business days prior
 to closing.
- NO DAY OF CLOSING CHANGES TO CLOSING STATEMENTS already provided. Even minor changes to statements meeting the delivery rule are NOT allowed on the day of closing. Lender must approve all changes and borrowers must receive the <u>final</u> revised statement at least one day prior to closing.
- Plan your walkthroughs carefully to allow for the timelines above.

CLOSING & TITLE INSURANCE -

- New regulations mean NO MORE LAST MINUTE CLOSINGS Plan ahead!
- Order Title Insurance as soon as you have an accepted offer. There could be unknown issues that will take time to resolve.
- **Provide HOA/Condo info to the title company EARLY.** The new regulations require the closing statement be completed MUCH earlier in the process than ever before this means an earlier start.
- **Give the sellers a break!** Obtain the seller's prior Owner's Policy and send to title company with the complete Offer to Purchase. (Discount given when provided <u>PRIOR</u> to search) A deed is not "prior" need the <u>Owners Policy</u>.
- **Don't delay** under the new closing regulations, plan on having your closing numbers to the title company 9-10 days prior to closing to ensure the disclosure can get to the buyer in time.
- Please encourage all parties to plan to come to closing. Pre-signs can be done if necessary, but it is preferred they attend the closing.
- Remember NO LAST MINUTE CHANGES TO CLOSING STATEMENTS. Borrowers must receive the <u>final</u> statement at least one day prior to closing and the lender must approve any of those changes. Plan accordingly.

What Every Buyer Needs to Know

- **Get Pre-Approved!** Get a head start on the buying process by knowing exactly what and how much you can afford. This can also greatly reduce the time necessary to get your loan approved once you have an accepted offer. Avoid surprises by making sure your pre-approval is based on <u>verified</u> credit, income and assets.
- Contact your lender right away once your offer has been accepted. Even if you have been preapproved. There is still a great deal of work to be done before your loan will be ready.
- If your lender requests anything from you, get it to them right away. You can trust if the lender asked for something they MUST have it! Waiting could put your loan in jeopardy, delay loan commitment and/or the closing.
- **Understand that things have changed** More documentation is required than in the past. Even if it seems silly, intrusive or unnecessary, please remember that if they didn't need it they wouldn't ask for it.
- Do NOT APPLY FOR, or take out ANY additional credit during the home buying process. Not even a dept. store credit card or 90-day free financing for that new washer and dryer! Credit can be re-pulled right before closing and even just an inquiry can delay, or even kill the deal.
- Don't move assets from one bank to another, or open or close an account right before or during your loan processing. It can complicate the approval process and result in extra documentation.
- **Job Changes** If you anticipate a change in employment during the home buying process, contact your lender immediately as it will need special consideration.
- **Don't consolidate bills or pay off collection accounts** talk to your lender <u>first</u>. They will advise if this needs to be done and how best to do it to avoid negatively impacting your credit score.
- Don't pack or ship information that may be needed for your financing. Important paperwork such as your tax returns, W-2's, divorce decrees, etc. may be needed to obtain your loan. Getting duplicates can take a long time and could hold up the approval process.
- NO personal checks accepted at closing. Official Checks are NOT certified funds.

Overview of Changes to RESPA/TILA Disclosures

On November 20, 2013, the Consumer Financial Protection Bureau (CFPB) issued its final rule to integrate the Real Estate Settlement Procedures Act (RESPA) and Truth in Lending Act (TILA) disclosures and regulations. The final rule integrates existing disclosures with new requirements from the Dodd-Frank Act to improve consumer understanding of the mortgage process, aid in comparison shopping, and help to prevent surprises at the closing table. The new rule and changes go into effect on August 1, 2015.

HIGHLIGHTS OF NEW RULE

New Loan Estimate Document Created

- Replaces the Good Faith Estimate (GFE) and initial Truth-in-Lending (initial TIL) disclosure.
- The new form provides clearer information so that consumers understand the loan terms and estimates of loan and closing costs and to facilitate comparison shopping.
- The Loan Estimate must be provided to consumers within three business days after submission of loan application.

New Closing Disclosure Document Created

- Replaces and combines the HUD-1 and final Truth-in-Lending disclosures (final TIL and, together with the initial TIL, the Truth-in-Lending forms).
- The new form provides clear details about loan charges and features so that consumers can better understand the costs of the transaction.
- The Closing Disclosure must be received by consumers three business days before consummation of loan.

Timing of Disclosures

- The Loan Estimate must be given to consumers within three business days of applying for the loan.
- The Closing Disclosure must be received by the consumer three business days before consummation.
- Consumers may modify or waive the waiting period of the Closing Disclosure if they have a "bona fide financial emergency". Consumers should work directly with their mortgage lender or creditor to determine if they are eligible for this limited waiver.

Types of Loans Covered

- Applies to most closed-end consumer mortgage loans.
- The rule does not apply to:
 - o Home equity lines of credit (HELOCs)
 - o Reverse mortgages
 - o Mortgages secured by mobile homes or by dwellings not attached to a property
 - o Creditors that make five or fewer mortgage loans in one year.

Effective Date

• Beginning August 1, 2015, lenders will be required to use the new documents for any loan applications received.
