REALTORS® Association of South Central Wisconsin, Inc. Committee Descriptions

All Members are encouraged to become an active part of RASCW through committee involvement. Provided for you is a brief profile of each committee. You are invited to bring your personal talents and interests to these committees.

Commercial Services Committee

This committee serves our commercial practitioners. From the annual economic forecast to the monthly articles in the REALTOR® Review to the seminars on new developments and legal updates, commercial real estate brokerage is the focus of this committee.

Diversity, Equity & Inclusion Committee

This committee provides oversight and guidance on issues relating to diversity, equity, and inclusion in the greater real estate profession. It starts by identifying activities to increase diversity within the greater real estate profession, affordable housing, volunteer leadership, and membership. DE&I extends to offering recommendations--for diversity programming, housing policy positions, fair housing, and other related issues--to the Board as deemed necessary.

Government Affairs Committee

This committee is charged with working with staff to identify issues and monitor proposed and existing regulation that affects real estate and private property rights. It will also work with staff to interview candidates for elected office and make recommendations for support. Occasionally, this committee may be called upon to increase participation in RPAC and Direct Giver fundraising.

Membership Networking Committee

This committee is responsible for recruiting and retaining members, both Realtors® and Affiliates. It is also responsible for planning and holding membership meetings, events and other networking opportunities for the membership. It promotes positive visibility of RASCW Members through community involvement.

Orientation Committee

This committee designs and reviews the New Member Orientation, which provides new members with information pertaining to the Association and the real estate industry while catering to their personal needs. Members participating on this committee play a dual role in being both a committee member as well as an orientation instructor. Participation on this committee is by appointment.

Professional Development Committee

This committee seeks out and plans educational opportunities for both Realtor® and Affiliate Members. The goal is to offer timely, convenient and economical programs at least quarterly.

Professional Standards Committee

Our Professional Standards process provides a means for members and the public they serve to resolve disputes that arise out of real estate transactions. Participation on this committee is by appointment and open to REALTOR® Members only.

Young Professionals Network (YPN) Committee

The Young Professionals Network (YPN) Committee is a dynamic group dedicated to fostering the growth and development of real estate professionals in the industry. Our committee provides networking and community engagement opportunities, educational resources, and mentorship programs to help young at heart professionals excel in the real estate sector.
